

Guidance for Users

The following guidance is for the attention of all users of the premises at MRMC. This includes those attending Church services, Church meetings, funerals and external users.

1. Please stay at home if you have any of the symptoms of Covid-19 (high temperature, new continuous cough, loss of/change to sense of smell or taste).
2. Attendees are asked to arrive no earlier than 15 minutes before their event. Please observe social distancing of at least 1m at all times and be guided by your Group Organiser and the signs which are displayed.
3. Please use the wall mounted hand sanitiser on entry to the building. Extra wall mounted sanitiser dispensers are available at various points, including by the toilets.
4. Avoid touching surfaces in the premises as much as possible.
5. If using the Worship area of the Church, please sit and remain in the seats allocated by your Group Organiser. The chairs in the Church must not be moved without authorisation.
6. Face coverings should be worn by all those not exempt.
7. NHS QR venue codes can be found in the Vestibule, Ramp Lobby and Hall to assist the NHS Test and Trace service and work with the NHS COVID-19 app.
8. You may be asked by your Group Organiser for your name and contact details for the NHS Test and Trace service.
9. Please keep everything you brought with you to hand and take it away at the end. There are no coat hooks available.
10. Toilets will be available but please sanitise your hands before entering the toilet and use the wipes provided to wipe the taps, flush and door handles, just before leaving, to protect the next user. Dispose of the wipes in the bin provided.
11. Access to the toilets is via the corridor between the Church and Hall unless advised otherwise.
12. Attendees are reminded to socially distance outside the premises both before and after their event, but please be aware of passing pedestrians so as not to cause congestion.
13. These details and many more measures have been put in place for your safety and the safety of others.
